ADMINISTRATION DIRECTORATE REVIEW: TRENDS AND HIGHLIGHTS

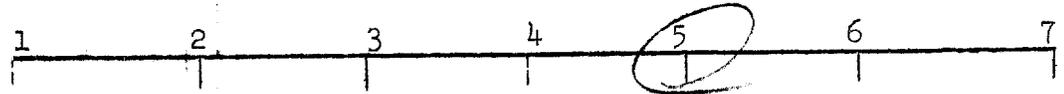

Evaluation

In order to enhance the usefulness of the Trends and Highlights Course to you and future participants, a continuing process of evaluation is necessary. We ask your cooperation in assisting us in keeping the course responsive to the needs of the participants.

COURSE OBJECTIVE

The objective of the course is to update Deputy Director for Administration careerists' knowledge and understanding of current activities, problems and trends in the Directorate and its various offices.

A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

B. What was the most useful segment of the program to you in your present assignment? The least useful? Please describe how you see the program benefiting you.

*I found the Office of Communications, Finance + Security presentations most informative and beneficial. The office of Security, TSD. Presentation being highly informative. The Communications presentation was impressive giving one the opportunity to actually see this vast operation. I think it provided aspects of the SSA which gave me a greater appreciation for their daily working operations.*

*The least useful was in my opinion, OJCS, Medical + MA9. I think these presentations could*

*have been better prepared.*

C. Did you feel the session on the Administration Directorate/  
Management & Advisory Group (AD/MAG) was beneficial? Why?

Not really. I think MAG is a  
management tool that works fine on  
paper and in theory, actual application  
would seem to be very difficult with  
no real results.

D. Other Comments:

The Program as a whole was  
informative and very beneficial I learned a great  
deal about the SS/A that I previously did not know.  
Generally the topics and speakers were  
interesting. I feel the evening session  
should be discontinued. Classes all day and  
a session in the evening is entirely  
too long.

If a scheduled speaker cannot  
attend the standard should be prepared  
to give a sufficient briefing. I do not feel  
the Office of Personnel accomplished this.

The Federal Women's Program was  
great.
